Procedure Description

This procedure document will be for the design and development of courseware.

Step	Description	Notes
1	Design Office identify and/or appoint a Subject Matter Expert(SME) per module to provide relevant and current content that will address the learning outcomes and other principles in the programme framework	
2	Design Office identify and appoint a learning designer to apply The Institute's courseware design principles to development	
3	Design Office Evaluate the revised courseware suite for quality assurance purposes	
4	Design Office identify SME, who can act as critical reader per module as per the courseware design criteria	
5	Design office plan and co-ordinate the critical review process and related amendments	
6	Design Office sign-off the revised courseware per module by all stakeholders before the start of the learning programme	
7	Design Office save copies of all signed-off material on the relevant systems	

Stakeholders
