1 Preamble

The Da Vinci Institute is a private higher distance education institution offering programmes with outcomes-based curricula. This policy forms part of the institutional Quality Management System and details the principles for ensuring that programme offerings adhere to academic standards and empower students to contribute to the transformation of their communities, society and the economy of the future. This approach is underpinned by the Mode 2 discourse on the generation and distribution of knowledge.

This policy provides guidelines for the nomination and appointment of examiners and for the effective management of the examination process.

2 Scope

As part of quality assurance of the examination process The Da Vinci Institute appoints reputable examiners and adheres to strict quality assurance processes as required by the Council on Higher Education (CHE) in respect of all dissertations and theses.

3 Aim

The purpose of this policy is to

- ☞ Outline key principles for the nomination of examiners.

4 Principles

Guiding principles for the nomination and appointment of examiners:

- ☞ The nominee should be a person who has irrefutable and relevant professional and/or academic experience in respect of the research domain
- ☞ Nominees for examination of master dissertations should be in possession of a doctorate degree. A single exception may be permitted in cases where specialist professional or technical expertise in the domain is required. In this instance the Research Committee will be required to formalise a motivation for such a nomination
- ☞ Nominees for the examination of doctoral theses must be in possession of a doctoral degree. A single exception may be permitted in cases where specialist professional or technical expertise in a respective domain is required. In this instance the Research Committee will be required to formalise a motivation for such nomination
- ☞ The external examiner must provide an independent and critical view of the dissertation/ thesis. Thus, the Research Committee must be satisfied that an examiner (two for the dissertation and three for the thesis):

Policy: Nomination and Appointment of Examiners

- Does not hold office or is a fellow of The Da Vinci Institute
 - Is not a student or an associate of The Da Vinci Institute
 - Does not lecture any module or provide support which forms part of the research programmes at The Da Vinci Institute
- ☞ Due care should be taken by the Research Office to ensure that an adequate "induction" to the Da Vinci Mode 2 learning philosophies is undertaken for each appointed person

5 High Level Processes

Figure 1: Nomination and Appointment of Examiners

6 Responsibilities

6.1 Examiner(s)

The examiner(s) assess the dissertation/thesis in accordance with The Institute's assessment guidelines

6.2 The Research Office

The Research Office sources examiners.

- ☞ The Research Office identifies proposed examiners and recommends them to the Research Committee
- ☞ The recommendation is accompanied by the examiner's information, such as qualifications, an abridged curriculum vitae and full contact details

6.3 The Research Committee

Monthly meetings are called by the Research Committee to expedite the nomination of examiners process.

- ☞ The Research Committee appoints or rejects nominated examiner(s)
- ☞ When a nomination is rejected the Research Committee proposes an alternative examiner(s)
- ☞ On appointment, the Postgraduate Office is informed to undertake the necessary administrative tasks to complement the examiners of the Research Committee

6.4 The Postgraduate Office

The Postgraduate Office is responsible for the general administration and tracking of student progress. In terms of the Postgraduate Examinations process, the Postgraduate Office is responsible for:

- ☞ Sending invitations to the approved examiners to indicate their willingness and ability to examine the dissertation/thesis
- ☞ Tracking progress of the dissertation/thesis examination, in keeping with the deadlines for the examinations cycle
- ☞ Administration of documents and examiners' reports
- ☞ Communication with students and Supervisors regarding examiners' reports, improvements required, and the next steps
- ☞ Arrangements for the Oral Defenses
