HARNESS YOUR REMARKABILITY

ABOUT THE DA VINCI INSTITUTE

The Da Vinci Institute for Technology Management (PTY) Ltd (Da Vinci) is registered by the Department of Higher Education and Training (DHET) as a Private Higher Education provider under the Higher Education Act 1997, registration no. 2004/ HE07/003. The Institute offers higher education qualifications in the distance mode of delivery, accredited by the Council on Higher Education (CHE) and registered on the National Qualifications Framework (NQF) by the South African Qualifications Authority (SAQA).

The Institute's strategic intent is to strengthen the growth of agile, aligned and engaged leaders, who co-create innovative ecosystems and sustainable transformational societies. To align with this strategic intent, Da Vinci facilitates the holistic development of diverse leaders, incorporating excellence in the management of technology, innovation, people and systemic thinking in all offerings.

Through its engagement with an approach to knowledge production called Mode 2, Da Vinci is focused on the creation of knowledge that is trans-disciplinary in nature, socially relevant, actively promotes diversity and heterogeneity, and of which the intent is to apply situated learning, problem probing and decision making, to solve work-based challenges, and contribute towards the professional development of the people involved.

Da Vinci prepares entrepreneurs, prospective managers and business leaders to take control of their working environments, by integrating a framework into its programmes called the TIPS™ Managerial Leadership Framework (This looks at the Management of Technology, Innovation and People in a Systemic way) that contributes to the overarching field of Business Leadership and promotes agility, alignment and engagement of people at work.

By facilitating a true mode 2 learning experience for our students and sponsors alike, The Institute's approach can meet ever-changing organisational performance needs.

OVERVIEW OF THE BACHELOR OF COMMERCE IN BUSINESS MANAGEMENT

The Bachelor of Commerce in Business Management is aimed at developing managers who will fully appreciate the importance of socio-economic transformation for South Africa and be empowered to appropriately respond to it. Students will focus on the key elements of business management, organisational behaviour, systems thinking, technology management and innovation management.

The Bachelor of Commerce in Business Management was designed to prepare future business leaders for the multi-faceted world of work. The programme seeks to promote the development of knowledge, skills and capabilities required within varied management, administration and leadership contexts, by focusing on the business leadership discipline posited against the overarching field of business management and administration. This takes cognisance of the complex inter-relationship of a number of elements that will contribute to and enhance, the sustainability of business ventures, including the management of technology; the management of innovation; and, the management of people, within a systems thinking framework.

The qualification is thus structured in such a way that it introduces individuals to the core competencies needed to identify and leverage business opportunities (including opportunities provided through social enterprises), and establish practices that will enhance the viability of ventures. These competencies will include the latest in local and global trends in business management, administration and leadership within a business and/or social enterprise environment. The foundation of the curriculum is built on a combination of widely acknowledged Business Management disciplines, coupled with the choice of elective modules in the curriculum that hone students' skills in a particular area.
