been involved with for many years.

Imagine what it can do to enhance your business and career?

DaVinci Business School was founded on the principles of Mode 2 knowledge production and while the approach has evolved beyond its original conception, we continue to espouse the spirit of Mode 2 ushered in the 4th industrial revolution, and by establishing an innovation value-chain with an ever growing number of stakeholders. This ensures a focus on the creation of knowledge that is transdisciplinary in nature, socially relevant, actively promotes diversity and heterogeneity.

The intention is to apply situated learning, problem-probing and decision-making to solve work-based challenges, and contribute to the professional development of our students and their teams they lead.

The Da Vinci Institute for Technology Management (Pty) Ltd. Registered with the Department of Higher Education and Training as a private higher education institution under the Higher Education Act, 1997. Registration No. 2004/HE07/003. This qualification is accredited by the Council on Higher Education and registered on the National Qualification Framework (NQF) by the South African Qualification Authority (SQA).

- Having a distinctive voice.

OVERVIEW OF THE BACHELOR OF COMMERCE IN BUSINESS MANAGEMENT

The Bachelor of Commerce in Business Management is aimed at managers and leaders who will fully appreciate the importance of socio-economic transformation of South Africa.

Students will focus on the key elements of business management of people, organisational behaviour, systems thinking, technology management and innovation management. This qualification was designed to prepare future business leaders for the multifaceted world of work.

The qualification seeks to promote the development of knowledge, skills and capabilities required within varied management, administration and leadership contexts, by focusing on the business leadership discipline posited against the overarching fields of business management and administration. This takes cognisance of the complex interrelationship of a number of elements that contribute to and enhance, the sustainability of business ventures, including technology management; innovation management; and, people management, within a systems thinking framework. The qualification is thus structured in such a way that

“At the tender age of 40, I finally obtained my Bachelor of Commerce in Business Management with electives in Aviation Management. The knowledge I gained from the incredible lecturers at DaVinci led me on an innovative journey and inspired me to start VIO Aviation Solutions. I look forward to the adventures that lie ahead, applying the knowledge gained and impacting the aviation industry. **”**

Peter-John Altken

BCom Graduate DaVinci Business School

it introduces individuals to the core competencies needed to identify and leverage business opportunities (including opportunities provided through social enterprises), and establish practices that will enhance the viability of ventures. These competencies relate to the latest in local and global trends in business management, administration and leadership within a business and/or social enterprise environment. The foundation of the curriculum is built on a combination of widely acknowledged Business Management disciplines, coupled with the choice of elective modules in the curriculum that hone students' skills in a particular management discipline.

The Da Vinci Institute for Technology Management (Pty) Ltd. Registered with the Department of Higher Education and Training as a private higher education institution under the Higher Education Act, 1997. Registration No. 2004/HE07/003. This qualification is accredited by the Council on Higher Education and registered on the National Qualification Framework (NQF) by the South African Qualification Authority (SQA).
